Selectmen's Minutes 08-11-2008

TOWN OF ARLINGTON BOARD OF SELECTMEN

Meeting Minutes
 Monday, August 11, 2008
 7:15 p.m.

Present: Ms. Rowe, Chair, Mr. Hurd, Vice Chair, Mr. Greeley, Mrs. Mahon, and Ms. LaCourt.
 Also present: Mr. Sullivan, Ms. Rice, and Mrs. Krepelka.

Ms. Rowe opened the meeting with the following statement regarding the recent resignation of Superintendent Nate Levenson:

The Board of Selectmen wants to reassure the parents of children in our public school, the students themselves, and the town's people that our school system is sound and strong. While it is unfortunate that the superintendent has resigned, the school system is still full of tremendous teachers, principals and people running our schools.

Five out of seven (7) of our elementary schools have been rebuilt, and we are looking at ways to complete the needed improvements of the other two elementary schools. We are beginning to look carefully at what physical improvements are needed at the High School. The learning that our children need will be available in the first week of September.

The Board of Selectmen has offered whatever help our colleagues on the School Committee need, whether it is the able help of Juliana Rice, Town Counsel, or the able financial heads of the Finance Committee's chair, Alan Tosti or Charlie Foskett. The future direction and leadership of our schools is in the hands of the School Committee but the Board of Selectmen stand ready to assist them when asked. Everyone in the Town wants the next leader of the schools to be strong, educationally visionary, fiscally responsible, and a healer.

Mr. and Mrs. Bryant and Mr. Mikkelsen appeared before the Board regarding their concerns as a result of the Green Dog Initiative. Robbins Farm has become a playground for off leash dogs, especially behind their homes and the upper area of Hawthorne Avenue. They stated that the Dog Officer has visited the park on numerous occasions and unfortunately the owners of these dogs have complete disrespect for the leash law and the Dog Officer. They feel the Town needs to address this problem before a child or an adult gets seriously hurt. Mr. Bryant presented Mrs. Krepelka with several photos that he had taken of loose dogs and owners standing watching dogs run, etc.

The Board asked Mr. Sullivan to ask the Police Department and the Animal Control Officer to increase patrol in the area and to enforce the leash law when it is necessary. Ms. Rowe assured Mr. and Mrs. Bryant and Mr. Mikkelsen that the leash law is in affect and the Green Dog Program has gotten people talking to each other. Ms. Rowe stated that most dog owners are reasonable people. Ms. Rowe stated that the neighbors would be notified of the next meeting

On Green Dog and, in the meantime, please call the Animal Control Officer if the problem continues.
